The limitation of time for commencement and completion may be extended by written agreement between the parties.

(b) The Redeveloper agrees that it will enter into the necessary contracts with contractors for the Project and cause those contracts to provide that all work performed under such contracts shall be in accordance with the Redevelopment Plan, this Contract and the Urban Renewal Plan.

**Section 4.02 Redevelopment Plan; Modifications.** The Redeveloper shall diligently pursue completion of the Project in conformance with the Redevelopment Plan, this Contract, and the Urban Renewal Plan. Should the Redeveloper deem it necessary or desirable to amend the Redevelopment Plan,

the Redeveloper shall submit such proposed modifications to the Authority, including plans and specifications for Project Improvements and a timeline for completion of the Project. The Authority shall review such modification within a reasonable time and shall send written notice of the Authority's approval or rejection of the modifications to the Redeveloper. If the Authority rejects any such modification, the notice so stating shall set forth the reasons for rejection.

**Section 4.03 Extensions Due to Force Majeure Conditions.** The time limit for the Completion Date may be extended due to any Force Majeure Condition if the Redeveloper notifies the Authority of the existence of such condition reasonably promptly after first becoming aware of such condition. The extension of time for the Completion Date shall be for the period of any delay or delays caused or resulting from any Force Majeure Condition; provided, however, the Redeveloper must notify the Authority of the existence of such delaying event within forty five (45) days after the commencement of such Force Majeure Condition, which notice to the Authority shall include documentation or other information reasonably necessary to establish the existence of the delaying event and an estimate of the approximate period of delay to be created by that event. The Redeveloper's failure to provide such notice and documentation shall eliminate the waiver of default due to such delaying event created in this Section.

**Section 4.04 Completion Certificate.** On the Completion Date, the Redeveloper shall send a written request to the Authority for a Completion Certificate. The Completion Certificate shall be a conclusive determination of the Redeveloper's satisfaction and termination of the covenants in this Contract regarding completion of the Project within the dates for commencement and completion set forth in this Contract and in accordance with the Urban Renewal Plan, the Redevelopment Plan and this Contract. The Completion Certificate shall be in recordable form. If the Authority fails or refuses to provide the Completion Certificate after receiving a written notice requesting such certificate, the Authority shall, within thirty (30) days of receiving such request, provide the Redeveloper with a written statement indicating in reasonable detail how the Redeveloper has failed to complete the Project in conformity with the Urban Renewal Plan, the Redevelopment Plan, and/or this Contract and the measures or acts necessary, in the opinion of the Authority, for the Redeveloper to take or perform in order to obtain a Completion Certificate.

**Section 4.07 Tax Abatement.** The Authority approved 100% tax abatement for the Project for the applicable Tax Abatement Period. Subject to the terms and conditions of this Contract (specifically including, without limitation, the Redeveloper's substantial completion of the Project), the Authority shall issue a Certificate of Qualification for Tax Abatement for each tax parcel within the Property on or prior to the Completion Date, or such earlier date at the request of the Redeveloper as the Authority may deem necessary or desirable provided that the Project is substantially complete at such time. The Authority and the Redeveloper acknowledge that, upon issuance of a Certificate of Qualification for Tax Abatement for each tax parcel within the Property, the Jackson County Assessor will issue a statement as to the then current assessed valuation of such tax parcel, which valuation shall be the maximum total assessed value of such tax parcel during the Tax Abatement period ("Maximum Assessed Value").

The Redeveloper acknowledges that during each Tax Abatement Period for each tax parcel upon which the Redeveloper has completed a single-family house such tax parcel will not be exempt from *ad valorem* taxes and that the base *ad valorem* taxes as calculated using the Maximum Assessed Value will remain due and payable during the applicable Tax Abatement Period. The Redeveloper's obligation to pay the *ad valorem* taxes assessed against tax parcel within the Property by the Jackson County Assessor, as such taxes are abated in accordance with this Contract and the LCRA Law, shall run with the land and be binding upon the Redeveloper its successors and assigns and any subsequent owner of each tax parcel within the Property.

**Section 4.08 Reserved.**

**Section 4.09 Tax Abatement Under the LCRA Law.** The procedure for tax abatement is set forth in Sections 99.700 to 99.715, RSMo, of the LCRA Law and the tax abatement provided by the Authority under this Contract shall be subject to and in accordance with the LCRA Law. The Authority makes no representation regarding the base tax year used by the Jackson County Assessor to determine the Maximum Assessed Valuation of the Property for the Tax Abatement Period.

**ARTICLE V**  
**DEFAULT AND TERMINATION**

**Section 5.01 Events of Default Defined.** The following shall be "Events of Default" under this Contract and the terms "Events of Default" and "Default" shall mean, whenever they are used in this Contract, any one or more of the following events:

(a) Failure by the Redeveloper to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Contract, which failure continues uncured following the Cure Period.

(b) The filing by the Redeveloper of a voluntary petition in bankruptcy, or failure by the Redeveloper to promptly lift any execution, garnishment or attachment of such consequence as would impair the ability of the Redeveloper to carry on its operation, or adjudication of the Redeveloper as a bankrupt, or assignment by the Redeveloper for the benefit of creditors, or the entry by the Redeveloper into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Redeveloper in any proceedings whether voluntary or involuntary instituted under the provisions of the federal bankruptcy laws, as amended, or under any similar acts which may hereafter be enacted.

(c) The occurrence of an Event of Default or a default under the Funding Agreement which is not cured within any applicable cure period set forth in the Funding Agreement.

(d) The failure of the Redeveloper to complete the Project prior to or on the Completion Date of \_\_\_\_\_, 20\_\_\_\_, unless such date shall be extended by the period of time equal to delays caused by any Force Majeure Conditions, as provided in Section 4.03.

**Section 5.02 Remedies on Default.**

(a) Whenever any Event of Default shall have occurred and be continuing, the Authority shall have the right, at its option and without any further demand or notice, to take whatever action at law or in equity may appear necessary or desirable to enforce performance and

observance of any obligation, agreement or covenant of the Redeveloper under this Contract, including, but not limited to, the following:

(1) institute such proceedings as may be necessary or desirable in the Authority's sole opinion to compensate the Authority for any damages resulting from all breaches by the Redeveloper, including, but not limited to, a proceeding(s) for breach of contract and/or damages; or

(2) terminate this Contract and any tax abatement relating to the Property.

(b) Notwithstanding anything to the contrary set forth in this Contract, the Authority shall, in no way, be limited to the terms of this Contract in enforcing, implementing and/or otherwise causing performance of the provisions of this Contract, the Redevelopment Plan and/or Urban Renewal Plan or in exercising its right and authority to condemn the Property after the Redeveloper's Default and failure to cure during the Cure Period as provided in this Contract.

**Section 5.03 No Waiver.** No delay or omission of the Authority to exercise any right or remedy occurring upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence in such Event of Default. Every right and remedy given by this Article or by law to the Authority may be exercised from time to time and as often as may be deemed expedient by the Authority. No waiver of any breach of any covenant or agreement contained in this Contract shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement. In case of a breach by the Redeveloper of any covenant, agreement or undertaking by the Redeveloper, the Authority may nevertheless accept from the Redeveloper any payment or payments made under this Contract without in any way waiving right of the Authority to exercise any of its rights and remedies provided for in this Contract with respect to any such default or defaults of the Redeveloper which were in existence at the time such payment or payments were accepted by the Authority.

**Section 5.04 Rights and Remedies Cumulative.** The rights and remedies reserved by the Authority in this Contract and those provided by law shall be construed as cumulative and continuing rights and may be exercised concurrently or alternatively. No one of them shall be exhausted by the exercise of such option on one or more occasions.

## **ARTICLE VI**

### **SPECIAL COVENANT AND DAMAGES FOR BREACH**

**Section 6.01 Project Covenant.** It is acknowledged that the Authority's willingness to enter into this Contract and carry out the Authority's obligations under the Transaction Documents is based on the anticipated benefits (the "Public Benefits") to be derived in the City through the Redeveloper's completion of the Project and the proper maintenance of the Project and/or any Project Improvements. Accordingly, and as a material inducement to the Authority to enter into this Contract and consummate the transactions contemplated by the Transaction Documents, the Redeveloper covenants and agrees that it will at all times during the term of this Contract, as may be amended from time to time: (a) properly complete and operate the Project and the Project Improvements; (b) properly maintain the Property and the Project Improvements; and (c) observe and perform every other term, covenant, condition, or agreement to be observed or performed by Redeveloper under this Contract (the "Project Covenant").

**Section 6.02 Remedy Upon Breach of Project Covenant.** If the City does not, in the Authority's reasonable discretion, realize the Public Benefits, then the Redeveloper shall be in breach and violation of

the Project Covenant. The parties acknowledge that the damages that will be incurred upon any breach or violation of the Project Covenant would be impossible to ascertain with any reasonable degree of certainty. Nevertheless, the parties have attempted to fairly approximate the amount of such damages, and have agreed that upon any breach or violation of the Project Covenant, the Redeveloper shall be liable to pay to the Authority as agreed liquidated damages (and not as a penalty), immediately upon demand, a sum equal to the aggregate amount of the *ad valorem* taxes which could have been assessed and payable with respect to the Property and Project Improvements if the Authority had not issued a Certificate of Qualification for Tax Abatement pursuant to the LCRA Law for each of the impacted tax parcels within the Property and Project Improvements (the “Project Covenant Liquidated Damages”). Payment of the Project Covenant Liquidated Damages by the Redeveloper shall be the Authority’s remedy for a breach or violation of the Project Covenant. A violation of the Project Covenant by the Redeveloper shall be an Event of Default.

## **ARTICLE VII**

### **RISK OF LOSS AND INSURANCE**

**Section 7.01 Risk of Loss.** So long as the Property is owned by the Redeveloper and/or the Authority, all risk of loss with respect to the Property and the Project Improvements shall be borne by the Redeveloper.

**Section 7.02 Insurance.** The Redeveloper shall, at its expense, maintain or cause to be maintained a policy of all risk casualty insurance insuring the Property and the Project Improvements owned by the Redeveloper and/or the Authority and the Project Improvements. Such policy of insurance shall name the Authority and such other persons designated by the Authority as additional insureds and shall each contain a provision that such insurance may not be canceled without at least thirty (30) days’ advance written notice to the Authority. Duplicate copies or certificates of such policy bearing notations evidencing payment of premiums or other evidence of such payment shall be furnished to the Authority. Such policy shall include a waiver of subrogation consistent with the release described in Section 7.04 below.

**Section 7.03 Blanket Insurance Policies.** The Redeveloper may satisfy any of the insurance requirements set forth in this Article by using blanket policies of insurance, provided each and all of the requirements and specifications of this Article respecting insurance are complied with.

**Section 7.04 Release.** Anything in this Contract to the contrary notwithstanding, it is agreed that each party hereby releases the other from any claim, demand or cause of action arising out of any loss or damage to the Property caused by a peril insurable pursuant to an all risk casualty insurance policy in standard form available in the State.

## **ARTICLE VIII**

### **COMPLIANCE WITH APPLICABLE LAWS**

The Redeveloper shall, at its sole cost and expense, comply with all Applicable Laws. The Redeveloper shall also comply with the requirements, rules and regulations of all insurers under the policies required to be carried under this Contract. The Redeveloper shall pay all costs, expenses, claims, fines, penalties and damages that may in any manner arise out of, or be imposed as a result of, the failure of the Redeveloper to comply with the provisions of this Article. Notwithstanding any provision contained in this Article, however, the Redeveloper shall have the right, at its sole cost and expense, to contest or review, by legal or other appropriate procedures, the validity or legality of any such Applicable Laws, or any such requirement, rule or regulation of an insurer, and during such contest or review the Redeveloper may refrain from complying therewith to the extent such noncompliance is expressly permitted by law and provided

that such noncompliance does not result in adverse action being taken against the Project, the Property, the Authority or the City.

## **ARTICLE IX** **LIENS**

The Redeveloper shall not do or suffer anything to be done by any person or entity whereby all or any part of the Property or the Project Improvements may be encumbered by any mechanics' or other similar lien while the Redeveloper is the owner of the Property. Whenever and as often as any mechanics' or other similar lien is filed against all or any part of the Property or the Project Improvements owned by the Redeveloper purporting to be for or on account of any labor done or materials or services furnished in connection with any work in or about the Property or the Project Improvements, the Redeveloper shall discharge the same of record within thirty (30) days after the date of filing. If the Redeveloper fails to do so, then the Authority may, but shall not be obligated to, take such action and pay such amounts on account of the Redeveloper as may be necessary in order to cause such lien to be discharged of record.

## **ARTICLE X** **INDEMNIFICATION**

**Section 10.01 Indemnity.** The Redeveloper indemnifies and agrees to protect, defend and hold harmless the Authority and the Authority's commissioners, officers, directors, employees, agents, affiliates, successors and assigns, from and against all claims, demands, losses, damages, costs, expenses, liabilities, taxes, assessments, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, causes of action, remedial action requirements and/or enforcement actions of any kind (including, without limitation, attorney's fees and court or similar costs) directly or indirectly arising out of or attributable to in whole or in part:

- (e) the performance or non-performance of any Transaction Document, contract, agreement, obligation or undertaking entered into by the Redeveloper (whether as the agent of the Authority or otherwise) in connection with all or any part of the Project; and/or
- (f) any act or omission of the Redeveloper or any of the Redeveloper's agents, contractors, subcontractors, servants, employees, members, officers, directors, licensees or invitees

or any other person or entity for whose acts or omissions the Redeveloper is otherwise responsible pursuant to Applicable Law.

### **Section 10.02 Environmental**

(a) The Redeveloper covenants that it shall not place or cause to be placed, nor permit any other person to place or cause to be placed, any Hazardous Substances on or about the Property or the Project Improvements in excess of *de minimis* quantities reasonably necessary to the Redeveloper's use of the Property or the Project Improvements.

accordance with any Applicable Laws. This indemnity is intended to be operable under 42 U.S.C. Section 9607(e)(1), and any successor section thereof, and shall survive the Closing under this Contract in all respects.

**Section 10.03 Enforcement Expenses.** The indemnity obligations contained in this Contract include within them all costs and expenses (including, without limitation, reasonable attorneys' fees) incurred in enforcing any right to indemnity contained in this Contract.

## **ARTICLE XI** **ASSIGNMENT**

**Section 11.01 Successors and Assigns.** This Contract shall be binding upon and shall inure to the benefit of the Redeveloper and its successors and assigns, and any subsequent purchaser of the Property (provided, however, that this provision shall not be deemed to permit an assignment of this Contract except as specifically provided in this Article), and the term "Redeveloper" as used in this Contract shall be deemed to include such successors and assigns.

**Section 11.02 General Assignments.** The Redeveloper shall not assign this Contract without the prior written consent of the Authority, which consent may be granted, denied or conditioned in the sole discretion of the Authority; the sale or lease of individual tax parcels within the Project and within the normal course of business is not to be construed as an assignment of this Contract. The Authority shall have the right to assign or otherwise transfer this Contract to the City, or to any successor entity created by the City to perform the same functions as the Authority and upon such assignment or other transfer, this Contract shall be binding upon and shall inure to the benefit of the City or to any such successor entity.

## **ARTICLE XII** **EQUAL EMPLOYMENT OPPORTUNITY**

**Section 12.01 Equal Employment Opportunity During Performance of this Contract.** During the performance of this Contract, the Redeveloper agrees, for itself and its successors and assigns, as follows:

(a) The Redeveloper will not discriminate against any employee or applicant for employment because of race, color, religion, sexual orientation, family status, handicap, sex, or national origin. The Redeveloper will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sexual orientation, family status, handicap, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Redeveloper agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Authority setting forth the provisions of this nondiscrimination clause.

(b) The Redeveloper will, in all solicitations or advertisements for employees placed by or on behalf of the Redeveloper, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sexual orientation, family status, handicap, sex or national origin.

(c) The Redeveloper will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice advising

the labor union or workers' representative of the Redeveloper's commitments under Section 202 of Executive Order 11246, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) The Redeveloper will comply with all provisions of the Executive Order, and of the rules, regulations and relevant orders of the Secretary of Labor.

(e) The Redeveloper will furnish all information and reports required by the Executive Order, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records and accounts by the Authority and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(f) In the event of the Redeveloper's non-compliance with the non-discrimination clauses of this Contract or with any of such rules, regulations, or orders, this Contract may be canceled, terminated or suspended in whole or in part and the Redeveloper may be declared ineligible for further government contracts and/or federally assisted construction contracts in accordance with the procedures authorized in the Executive Order, and such other sanctions may be imposed and remedies invoke as provided in the Executive Order, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

**Section 12.02 Inclusion of Equal Employment Opportunity Provisions in Contracts.** The Redeveloper agrees, for itself and its successors and assigns, that it will include the provisions listed in Section 12.01 in every contract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246, so that such provision will be binding upon each contractor or vendor that does business with the Redeveloper in conjunction with the Project, as well as those contractor's subcontractors. For the purpose of including the provisions of Section 12.01 in any construction contract or purchase order, the terms "Authority", "Redeveloper" and "Contract" may be changed to appropriately reflect the name or designation of the parties to such contract or purchase order.

**Section 12.03 Modification of Requirements.** Upon the issuance of additional or conflicting rules, regulations, or orders of the Secretary of Labor pursuant to section 204 of the Executive Order, the requirements of this Article shall automatically be amended to conform and comply with such changes.

**Section 12.04 Determination of Compliance.** For the sole purpose of determining the Redeveloper's compliance with the provisions of this Article, the Authority and its duly appointed agents shall be permitted, at reasonable times, and after three (3) days prior notice to the Redeveloper, to examine the books and records of the Redeveloper.

### **ARTICLE XIII** **AMERICANS WITH DISABILITIES ACT**

The Redeveloper shall comply with the provisions of the Americans with Disabilities Act ("ADA"), 42 U.S.C.A Section 1201, *et seq.*, as amended from time to time, and regulations promulgated under the ADA, including, without limitation, 28 C.F.R. Part 35 and 29 C.F.R. Part 1630.

**ARTICLE XIV**  
**AFFIRMATIVE ACTION: MINORITY BUSINESS ENTERPRISES/WOMEN'S BUSINESS ENTERPRISES AND CONSTRUCTION WORKFORCE EMPLOYMENT**

The Redeveloper shall comply with the provisions of the Affirmative Action Policy of the Authority, as amended from time to time, which policy requires that the Redeveloper make a good faith effort to meet the goals established in accordance with the City Code of General Ordinances Chapter 3, Article IV, Divisions 1-3, Sections 3-401 through 3-600, and any related rules and regulations, as may be amended, of the City promulgated pursuant to Ordinance No. 18535 As Further Amended, adopted by the City Council on October 25, 2018, and Committee Substitute for Ordinance 130275 adopted by the City Council on April 11, 2013, and effective May 1, 2013, for (a) MBE/WBE participation under professional services and construction contracts in connection with the Project, and (b) construction workforce employment on a company-wide basis of minorities and women under construction contracts between the Redeveloper and construction contractors in connection with the Project. As a part of this Contract, Redeveloper shall provide all attachments as required by the Authority's Affirmative Action Information Packet containing information and forms for MBE/WBE participation and construction workforce employment ("Affirmative Action Information Packet"). Redeveloper acknowledges that Redeveloper has received a copy of the Affirmative Action Policy and the Affirmative Action Information Packet pertaining to the requirements for MBE/WBE participation and construction workforce employment. The Redeveloper further acknowledges that the Redeveloper understands the Affirmative Action Policy's requirements and that the Authority, in the Authority's sole discretion, may pursue any remedy or remedies available under the Affirmative Action Policy and/or this Contract in the event that the Redeveloper is unable to demonstrate a good faith effort to meet the goals set forth in the Affirmative Action Policy as may be determined by the Authority. A remedy or remedies may also be enforced following a determination by the City's Human Relations Department, the Fairness in Construction Board, or the Fairness in Professional Services and Goods Board that the Redeveloper failed to demonstrate a good faith effort to meet the approved goals. In the event that the Authority incurs any costs or expenses, including attorney's fees, in connection with any action or claim filed by the Redeveloper or a contractor or consultant hired by the Redeveloper for the Project appealing or challenging any determination concerning whether good faith efforts were exerted under the Affirmative Action Policy or imposition of liquidated damages for failure to comply with the Affirmative Action Policy, the Redeveloper shall indemnify and hold the Authority harmless from any such costs or expenses incurred by the Authority without qualification, restriction or limitation. The indemnification obligation of the Redeveloper under this Article XIV applies whether or not the Authority is a named party in any such action or claim and shall survive the termination of this Contract. Notwithstanding anything to the contrary in this Article XIV, the Redeveloper covenants not to sue or bring any claim against the Authority related to the Affirmative Action Policy, it being understood that the Affirmative Action Policy incorporates the City ordinances referenced in this Article XIV, as such ordinances may be amended from time to time.

In compliance with the Ordinance No. 18535 As Further Amended, adopted by the City Council on October 25, 2018, the construction and professional services goals for the Project as established by the approved contractor utilization plan (CUP) are incorporated into and made a part of this Contract as if fully set forth herein, even if the CUP is approved after the effective date of this Contract.
