The rent to be charged is one of the most important parts of the application because of the competitive process for selection of developments. The rent is also a critical factor in determining development feasibility and affordability.

In completing the rental information on this page, the sponsor should anticipate the rents that will be in effect as of the date the units will be completed and available for occupancy. Developments will be limited to the rents as approved by MHDC for a period of one year from the month the last building is placed in service. After this 1 year period, rent increases will be allowed only as approved by MHDC. The proposed rents cannot exceed the current (as of the date of this application) rents published by HUD.

The amount of rent to be charged is considered to be the total cash expected to be received from the tenants or any other source on behalf of the tenants.

Gross Rent Floor Election							
In accordance with Revenue F	Procedure 94-57, the Internal Revenue	Service (IRS) will tr	reat the gross rent	floor in I.R.C. 42(a)(2)(A) as taking effect o	n the date th	e commission initially

In accordance with Revenue Procedure 94-57, the Internal Revenue Service (IRS) will treat the gross rent floor in I.R.C. 42(g)/2)(A) as taking effect on the date the commission initially allocates tax credits to the development by carryover or determination letter (42m letter). However, the IRS will treat the gross sent floor as taking effect on the building's place-in-service date

If the owner designates the placed-in-service date instead and so informs the commission in writing prior to the placed-in-service date of the first building in the development. For a definition of placed-in-service, please review IRS Notice 88-116.

The undersigned owner(s) hereby make the following election with respect to the Gross Rent Floor Effective Date for each building in the development designated below:

On the Date of Initial Allocation

^{*} If the proposed development is tax-exempt bond financed (as defined by the IRC), the IRS will treat the Gross Rent Floor as taking effect on the date the Commission initially issues a determination letter unless the owner designates that the place-in-service date should be used.

The undersigned applicant(s) hereby each certify that, to the best of my/our knowledge, all of the information in this application and all supporting documentation is correct, complete and accurate. I/We further recognize and accept the obligation to notify MHDC immediately if I/we become aware of any subsequent events or information which would change any statements or representations previously submitted to MHDC.

I/We further state that I/we have applied for a mortgage loan and/or tax credits and have provided the above information, and certified that it is true, and have fully authorized MHDC to verify said information through credit reports, deposit verifications, reference checks and through any other means they determine necessary.

The applicant(s) hereby certify that should I/we receive HOME funds as any part of my/our funding award, I/we agree to comply with 24 CFR 135 ("Section 3"), and agree to give, to the greatest extent feasible and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to Section 3 residents and Section 3 business concerns. The applicant(s) further certify that if MHDC approves and executes a conditional reservation for HOME funds for this application, I/we will submit a Section 3 plan to demonstrate the ability and willingness to train and employ Section 3 residents and contract with Section 3 business concerns to the greatest extent feasible for economic opportunities that may be generated in connection with the HOME-assisted project.

The undersigned applicant(s) hereby each certify that I/we have read and agree to abide by the MHDC "Standards of Conduct" which requires that, if an Interested Party (as such term is defined in the Standars of Conduct) which has submitted a proposal, application, bid or response to a solicitation, request, notice or invitation to do so, for a competitive matter pending before the Commission desires to communicate with a commissioner or employee after the published response deadline for the purpose of lobbying the Interested Party's proposal, application, bid or response, the Interested Party (including anyone acting at its direction or on its behalf) may do so only by complying with the disclosure policy set forth in the Standards of Conduct

Failure to file the notice with MHDC shall result in the disqualification of the Interested Party's proposal, application, bid or response.

Furthermore, the period consisting of seven days prior to a scheduled Commission decision on a competitive matter shall be deemed the "Quiet Period." During this Quiet Period, interested parties shall refrain from initiating contact with commissioners to lobby their proposal, application, bid or response. Failure to honor the Quiet Period shall result in the disqualification of the Interested Party's proposal, application, bid or response."

The undersigned applicant(s) hereby authorize MHDC to verify information through credit reports, deposit verifications, reference checks and any other means they may determine necessary.

THIS SPACE IS INTENTIONALLY BLANK

The undersigned applicant(s) hereby each certify that I/we have been informed of the Tax Credit Accountability Act (SB 1099) which was passed on 5/11/04. I/we further acknowledge that MHDC may promulgate rules and procedures to implement the provisions of the Tax Credit Accountability Act. Under the provisions of this act all developers must complete all necessary forms and reporting requirements necessary for MHDC, as the administering agent for the LIHTC, to comply with the provisions of the act. All developers must complete Missouri Department of Revenue (MDOR) Form 8821 (Rev. 11-03), Missouri Department of Revenue Authorization For Release of Confidential Information, as a consideration for the allocation of LIHTC. An executed MDOR Form 8821 must be included as part of all tax credit applications.

The developer further acknowledges that after state LIHTC's have been authorized, records pertaining to the tax credit application shall be open unless closed pursuant to law under the Sunshine Law.

The developer recognizes that MHDC as the Administering agency is required to verify with the MDOR and the Missouri Department of Insurance (MDOI) that the applicant does not owe any state tax liability. Tax Credit recipients are required to report information confirming the address of the property, its fair market value, the actual labor cost of construction, the completion date of the project and the actual number of jobs created to the administering agency (MHDC) by June 30th of each year for three years after issuance of the tax credits, beginning no sooner than 12 months after final allocation.

The developer has been informed of the penalties for tax credit recipients that fail to meet the reporting requirements. The penalties for failure to report equal a percentage of the overall tax credits issued up to the total amount of tax credits. The penalties for fraud in the application process results in a penalty equal to the amount of tax credits issued. Failure to comply with any and all aspects and requirements of the Code of Conduct and of SB 1099 will cause forfeiture of all rights of sponsor/developer to participate in all MHDC Programs.

The undersigned applicant(s) are responsible for ensuring that the development consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of the federal tax law in the acquisition, rehabilitation, or construction and operation of the development to receive the housing tax credit.

The undersigned applicant(s) are responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I/we understand and agree that the amount of the tax credit is allocated by reference to the figures that I/we submit as to eligible and qualified basis. I/we understand that the actual amount of tax credit may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Missouri Housing Development Commission (MHDC) as to the amount of tax credit necessary for the financial feasibility of the development and its viability as a qualified low-income housing development; (b) revisions in the calculations of eligible and qualified basis as finally determined; and (c) fluctuations in the prevailing tax credit percentage.

The undersigned applicant(s) understand and agree that MHDC makes no representations or warranties regarding the financial feasibility of the development and makes no independent investigation as to the eligible and qualified basis and that any and all tax credit awards and tax credit amounts are solely based on representations made by me/us. I/we therefore agree to hold harmless and indemnify MHDC and the individual directors, employees, members, officers and agents of MHDC in the event that I/we, or anyone acting on my/our behalf at my/our request, or by and through me/us incurs any loss in conjunction with the development, diminution of the tax credit, loss of the tax credit, recapture of part or all of the tax credit or failure to allocate the tax credit requested in my/our application.

The undersigned applicant(s) understand and agree that my/our application for a housing tax credit, all attachments hereto, and all correspondence relating to my/our application in particular, or the tax credit in general, are subject to a disclosure request and I/we expressly consent to such disclosure. I/we further understand and agree that any and all correspondence to me/us from MHDC or other MHDC-generated documents relating to my/our application are subject to a request for disclosure and I/we expressly consent to such disclosure. I/we agree to hold harmless MHDC and the individual directors, employees, members, officers and agents of MHDC against all losses, costs, damages, expenses and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation and court costs) directly resulting from or arising out of the release of all information pertaining to my/our application pursuant to a disclosure request. The undersigned applicant(s) understand that any misrepresentations in this application or supporting documentation may result in a withdrawal of tax credits by MHDC, my (and related parties) being barred from future program participation and notification to the Internal Revenue Service.

The undersigned applicant(s) certify that all Federal, State, and local subsidies have been disclosed and revealed.

The undersigned applicant(s) hereby certify that the foregoing figures and the statements contained herein, submitted to obtain tax credit allocations pursuant to the I.R.S., section 42 and the State Housing Act of Missouri, Chapter 215 R.S. Mo. 1994, are true and correct to the best of my/our knowledge and belief. I/We further state in that I/We have applied for tax credits and have provided the above information, and certified that it is true, and have fully authorized MHDC to verify said information through credit reports, deposit verifications, reference checks, and through any other means MHDC determines necessary.
