Subject: tax abatement for 3400 Campbell

Dear Mr. Long,

I am writing to oppose the tax abatement request for 3400 Campbell. I live at 3430 Charlotte and there is no way that this property should be considered blighted. I have seen far worse condition properties on my block get remodeled by hard working homeowners with no tax assistance. I pay a lot in property taxes on my home that still needs a lot of work so there is no way the owner, Johnny Youssef should be getting away with not paying his fair share.

Thank you for your time,

Chuong Doan
