**Re:** LCRA Financial Analysis Procedure, Multi-family Affordably Priced Housing – NewView Place II, LLC – NewView Place II (multiple properties)

---

MHDC Form 2013 and Conditional Reservation used for submission of development and operating costs.

Staff does reasonableness review, noting any areas that are outside MHDC Cost Standards (attached).

Compare operating pro forma with and without tax abatement.

Assuming costs are within range, tax abatement will be granted if debt coverage ratio is less than 1.25 without tax abatement.

If developer includes a deferred developer fee as equity to be paid by cash flow, initial cash on cash return should be no greater than 10%.

This policy is applicable to properties in which rents do not exceed MHDC guidelines for LIHTCs, provided the developer agrees to a third-party property manager.
