#### **FUNDING AGREEMENT**

This Funding Agreement ("Agreement") is entered into as of the \_\_\_\_\_ day of February, 2022 ("Effective Date"), between UNI CRESCENDO, LLC, a Missouri limited liability company (the "Company"), and the LAND CLEARANCE FOR REDEVELOPMENT AUTHORITY OF KANSAS CITY, MISSOURI, a public body corporate and politic organized and operating pursuant to the ordinances of the City of Kansas City, Missouri, and the statutes of the State of Missouri (the "Authority").

## **RECITALS**

- A. The Authority is a public body corporate and politic created by the Land Clearance for Redevelopment Authority Law, Section 99.300, *et seq.*, of the Revised Statutes of Missouri and is transacting business and exercising the powers granted by the Land Clearance for Redevelopment Authority Law by virtue of Committee Substitute for Ordinance No. 16120, duly passed by the City Council of the City of Kansas City, Missouri ("City"), November 21, 1952.
- B. The Company is a Missouri limited liability company with offices at 222 W. Gregory Boulevard, Suite 323, Kansas City, Missouri 64114, which has submitted a Redevelopment Project Application to the Economic Development Corporation of Kansas City, Missouri.
- C. The Company has requested that the Authority provide certain services and incentives in regard to the construction of approximately 39 affordable housing units and a community building, and related improvements located on the east side of Highland Avenue between 24<sup>th</sup> Street and 25<sup>th</sup> Street (collectively, the "Project").
- D. The Project is located within the Wendell Phillips Urban Renewal Area and is to be carried out as a part of the Wendell Phillips Urban Renewal Plan ("Plan").
- E. In order to pay the Authority for services rendered by the Authority and to pay the costs and expenses of the Authority incurred in the course of providing services and incentives related to the Project to or for the benefit of the Company, the Authority requires the Company to provide assurance that the Authority will be paid by providing the initial deposit required by this Agreement and by the further covenants and agreements contained in this Agreement.

## **AGREEMENT**

- 1. <u>Services to be Performed by the Authority</u>. The Authority shall retain administrative and professional staff, outside legal counsel and consultants, and provide services that it determines are necessary to cause the Project to be evaluated and, if appropriate in the Authority's sole discretion, implemented and carried out, including, but not limited to:
  - a. review and consideration of the Company's Redevelopment Project Application for the potential granting of or consenting to the following incentives: (i) sales tax exemption on construction materials for the Project by virtue of a sale/leaseback ownership structure with the Authority as landlord and the Company (or related entity or entities) as tenant during the construction period; (ii) abatement of real property taxes (above predevelopment real property taxes)

- at 100% for 10 years; and (iii) preparation, negotiation, and implementation of all related contracts and documents;
- b. obtaining conventional mortgage financing or issuing bonds necessary or incidental to the Project or to the granting and implementation of requested incentives, including preparation, negotiation, and implementation of all related contracts and documents; and
- c. such other services necessary or desirable to undertake the Project.
- 2. Payment of Fees, Costs and Expenses. The Company shall pay to the Authority, pursuant to this Agreement (including the LCRA Funding Schedule, which may be amended from time to time by the Authority, attached to this Agreement as Exhibit A and incorporated into this Agreement) all fees owed to the Authority for services rendered pursuant to this Agreement and all costs and expenses of the Authority incurred in performance of its obligations under this Agreement, and in connection with the Project, including, without limitation, legal fees and consultant fees.
- 3. <u>Initial Funding</u>. The Company shall pay to the Authority Twelve Thousand Dollars (\$12,000.00) contemporaneously with its execution of this Agreement. The Funds include an initial advance deposit for anticipated costs for legal services, staff time and related due diligence costs ("Advance Cost Deposit") payable pursuant to this Agreement in the amount of \$10,000.00 for projects involving conventional loan or bond financing, sales tax exemption or sale/leaseback incentives, plus the Authority's Redevelopment Project Application fee in the amount of \$2,000.00. The total amount of \$12,000.00 of initial funding under this Agreement is referred to as the "Funds".

The Funds are non-refundable, except for any unused City application fees, recording fees, or Advance Cost Deposit funds. The Authority will disburse the Funds as set forth in Section 6 and will bill the Company pursuant to Section 4 so that additional disbursements may be made by the Authority on a current basis.

- 4. Additional Funding. After exhaustion of the Funds and any other funds over and above the Funds paid by the Company to the Authority, the Authority may require the payment by the Company of additional funds ("Additional Funds") by notifying the Company that the Funds and/or Additional Funds have been, or soon will be, exhausted and that the Authority deems it prudent to require the deposit of Additional Funds to pay anticipated additional expenditures by the Authority in conjunction with the Project; and by sending a statement to the Company for the advance of such Additional Funds.
- 5. <u>Statements and Payments</u>. The Company shall pay to the Authority the amounts set forth on such statement(s) for Additional Funds within fifteen (15) days of receipt of the Authority's statement(s). If such funds are not received within fifteen (15) days, the unpaid balance of any funds advanced by the Authority pursuant to this Agreement shall be subject to the payment by the Company of a penalty of two percent (2%) per month until paid, but in no event shall such penalty exceed eighteen percent (18%). The Company shall not be relieved of its obligations under this Agreement until all statements for Additional Funds are paid in full. The Authority may terminate this Agreement pursuant to Section 7.a.

6. <u>Disbursement of Funds</u>. The Authority shall apply the Funds and Additional Funds only for the payment of fees owed to the Authority, and the costs of the services and expenses (including, but not limited to, the Authority's legal fees) incurred by the Authority, pursuant to this Agreement. Upon reasonable notice, the Authority shall make its records related to disbursements of the Funds and Additional Funds available for inspection by the Company during normal business hours at the office of the Authority.

The Authority shall refund any unused application fees, recording fees or Advance Cost Deposit funds to the Company at such time as the Authority, in its sole discretion, determines that any such funds are no longer needed to pay any current or anticipated fees or costs payable under this Agreement. Notwithstanding the foregoing, a refund given by the Authority shall not relieve the Company of its obligation under this Agreement to pay any Additional Funds pursuant to a statement issued by the Authority under this Agreement.

- a. In the event the Company fails to perform any of its obligations under this Agreement, including, but not limited to, the timely payment of the Authority's statement(s) for Additional Funds, or in the event that the Executive Director and/or the Board of Commissioners of the Authority determine, in the exercise of his or its reasonable judgment, that it is in the best interests of the Authority not to go forward with the Project and the services to be performed as provided herein, the Authority may terminate this Agreement, and any other agreement between the parties, at its sole discretion upon ten (10) days written notice to the Company; and if the Authority elects to terminate this Agreement, the Authority shall retain the Funds and Additional Funds, if any, necessary to reimburse the Authority's outstanding costs of services and expenses incurred pursuant to this Agreement and any money due and owing to the Authority pursuant to any other agreement between the parties, and shall thereafter pay any remaining Funds and Additional Funds, if any, to the Company.
- b. The parties acknowledge that the Company may decide to abandon the Project. Upon the receipt of notice of the Company's abandonment of the Project, this Agreement shall terminate and the Authority shall retain the Funds and Additional Funds, if any, necessary to reimburse its staff time accumulated to date of termination and to pay the outstanding costs of services and expenses incurred pursuant to this Agreement and any money due and owing to the Authority pursuant to any other agreement and shall thereafter pay any remaining Funds and Additional Funds to the Company.
- c. In the event the Funds and Additional Funds are insufficient to reimburse the Authority for fees owed to the Authority and its outstanding costs of services and

expenses payable pursuant to this Agreement, the Company shall reimburse the Authority such unpaid balance upon receipt of a statement from the Authority sent to the Company as set forth in Section 4, above.

8. <u>Notice</u>. Any notice, approval, request or consent required by or asked to be given under this Agreement shall be deemed to be given if it is in writing and mailed by United States mail, postage prepaid, or delivered by hand, and addressed as follows:

- 17. Severability. If any provision of this Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into or taken thereunder, or any application of such provision, is for any reason held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Agreement or any other covenant, stipulation, obligation, agreement, act or action, or part thereof, made, assumed, entered into, or taken, each of which shall be construed and enforced as if such illegal or invalid portion were not contained herein. Such illegality or invalidity of any application thereof shall not affect any legal and valid application thereof, and each such provision, covenant, stipulation, obligation, agreement, act or action, or part thereof, shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.
- 18. <u>Governing Law.</u> This Agreement shall be governed by and construed in accordance with the laws of the State of Missouri.
